Cavin-Cook Funeral Home & Crematory
Presents

"Don't Be Caught Unprepared!"

By attending this free seminar with complimentary meal, you will learn about:

- Saving up to 44% on funeral costs and reducing emotional overspending by preplanning.
- How to help ensure your wishes will be carried out (estate planning, power of attorney, etc.).
- Sparring your family the emotional and financial burdens on one of the worst days of their lives.
- Peace of mind by making your decisions while your emotions are at rest, rather than leaving your family to make decisions for you.
- Doing it "your way" — How planning ahead puts you in charge.

Statistics show almost 70% of people are unprepared in one or more of these extremely important areas of planning. ***Don't be one of those statistics!*** Most of us keep putting this off... sometimes until we are too ill or until something unexpected happens. Call 704-664-3363 ***NOW*** to reserve a seat or return the reply card [today](#).

Guest Speakers include:

H. Mike Cook
President
Cavin-Cook Funeral Home
& Crematory
