“ I had the honor and pleasure of knowing and working with such a great role model. Tony was like a father to me, I learned so much from him through out the years. I will truly miss him.

“ Tony and I first met in September of 1954 in classroom 1-G on the first day of school as freshmen at St. Ignatius in Cleveland, Ohio. He was on crutches having just broken his leg in football practice. I remember that I had enough to deal with myself without having the extra burden of a broken leg. He handled it well though. We were both concerned about whether we would be able to avoid flunking out. It was a pretty tough school. All the smart guys were in 1-A, so "1-G" was pretty low on the totem pole. We shared our concerns, so survival was a bond. We worked hard and did survive. We've been friends ever since that first day of school - even though we have mostly been thousands of miles apart. Tony, Ava, myself, and my wife Francine have had many great times together visiting in Ohio, and in Hawaii on Oahu and Maui. Tony was a very special person - loyal, thoughtful, decisive, firm in convictions, no nonsense, tell it like it is, honest as the day is long, and with a great sense of humor. I'm sure that all his friends recognized and cherished these characteristics. We are grateful for having Tony and Ava in our lives. Ahui hou (see you later). Aloha.

“ Tony was a great man. He served his community and had such a giving spirit. As a member of the EnergyUnited Foundation - serving several approximately 12 years over four terms - he used his big heart and gift of graciousness to assist those in the 19 county area that the EnergyUnited Foundation assists. He will be missed! Ava and family you are in our prayers!

“ Known to his school mates as Tony, Oz, or Ozzie, Tony was my fraternity brother, roommate, and dear friend. We shared way to many memories to mention here in this short space. He was our frat house manager at Alpha Kappa Psi , Beta Psi chapter and a dedicated, hard worker. Oz was a serious student and though he loved to have fun, his studies always came first. He will always be missed by those who knew him, but will always be remembered as a great friend, employee, father, & spouse!
God Bless My Dear Friend, Antal “Tony” Oszlanyi.

“ I had the honor of traveling and working with Tony before he retired. We laughed and shared stories of our experience in the baking industry. We also shared the same love of family and I know he will be missed by all who were close to him. Tony is probably telling God how to make a better loaf of bread in heaven. Steve Schorn

“ I had the honor of knowing and working with Tony many times over the past 40 years. We were both members of the KSU-FSU Bakery Alumni Association and worked with Watson Foods back in the '90's. A week ago I had a half hour conversation with Tony and reviewed our past histories. He was so normal sounding then that I almost can't believe he is gone now. The Lord works in mysterious ways and I am sure he had special plans for this wonderful man. The family should be proud of Tony's glorious legacy.

“ I consider it an honor to be able to say that Tony and I good friends. We grew up in similar roles in the baking industry and always enjoyed discussing new ingredients and changes taking place in the baking industry. I'll miss Tony immensely as well as all of the emails we would exchange.

Rest in peace.
