“ I saw the announcement of Carolyn's passing in the Mecklenburg Medicine. I have many fond memories of Carolyn over the decade or so working with her when I was active in the MCMS. The medical community of Mecklenburg County owes a great debt to Carolyn for her years of leadership at the MCMS, and the initiatives that live on as her legacy (Bioethics Resource Group, Hospitality House of Charlotte, Teen Health Connection, NC MedAssist, and Physicians Reach Out). I am proud to have been one of her Presidents, even though she made me play the piano with a sparkling tux jacket at my inaugural. Godspeed Carolyn.

“ I became acquainted with Carolyn in senior yoga at the Quest 4 Life Wellness Center in Lenoir, NC several years ago. I also knew her from volunteering at the hospital.

She and I took two outings - one to the Earl Scruggs Museum in Shelby, NC. We had a nice day, but it ended when Carolyn suddenly said that she had to go home to feed her cats. LOL. Some time later we toured the Art and History Museum in Blowing Rock, NC. I considered her a good friend, and will miss her greatly.

I am so sorry for your loss...

“ Carolyn was such a delight as she supported the Medical Society ...and the Medical Alliance to the utmost. I loved being in the office with her whenever Alliance business took me there. All of us in the Alliance at that time were so grateful to her for her smile, her can-do stances, her analysis of situations and potentials. Many thanks to her family for sharing her with us! We are thinking of you and sharing in your loss.
