Susan, my sympathies go out to your family. Tony and I had so much fun together in Joplin as good friends. He helped rescue me and 3 others after our car flipped! He had his dad call my Gom-Gom (gran dam of Joplin) to let her her know I'd be late but was fine. What a great fellow and always FUN! My heart goes out to you. Channy Falk Gotfredson

“ Praying for comfort and blessings to the entire family. Tony was a rare jewel who anyone who met him loved him. Tony was a precious husband, father, friend, mentor and funny guy.

He assisted my Mama in her surgeries with a sense of humor and excellent care. Blessed that I met Tony and Susan so early in Mooresville. They were among the first I met when I moved here. God Speed Tony! Love to all!! Rest in Speed Big Guy

Respectfully,

“ We knew Tony for a long time, both professionally and personally. Tony was phenomenal friend and man, dedicated to his family and friends. The world was a better place for having him in it. He was always there when you needed him, and he never failed to help anyone in any way he could. Tony is an example of what a person should be, living his life to serve others, always with a reassuring smile that let you know that everything was going to be okay. I first met Tony many years ago when he was working as the medical examiner and I in law enforcement, and on occasion I would reach out to him for his assistance. He always told me, "You call me anytime you need me, no matter when or where, if I can help you I will." He was true to those words, and a professional relationship turned into a very dear friend. Our heartfelt condolences go out to the family, and I know that Tony is in Heaven, smiling down on his loved ones. Until we meet again my friend, you will be greatly missed. God bless you.

Our deepest condolences,

Scott and Teresa Speagle
