Julie, Jenna, Dylan, and Anna,

We are sending our love to you today, and every day, and hoping you can find some happiness and comfort in your fond memories of the great dad and husband he was.

We remember David making us feel very much at home when we visited both Florida and North Carolina. Always going out of his way to make sure we had a great time.

I remember many years ago when David and Julie visited us here in Massachusetts. I mentioned to David that I couldn't seem to get Michael's car seat to fit right, and that it was always bouncing around. David jumped right on it and re-installed it solidly to the back seat. Just a few weeks later the car was totaled in a bad crash with Michael securely strapped in to that seat. Thank you again, my friend. You are dearly missed.

“ David has always impressed me with the love he had for Julie and his 3 children. I was completely astounded with him the first night I met him. He and Julie were living in Fort Myers, Florida. It was Christmas Eve and the McHugh family were gathering at 14 Redington Terrace in Swampscott, Massachusetts to celebrate. Much to our surprise, Dave and Julie showed up at the back door that evening. Apparently Julie had expressed that she missed her family, So Dave said "Get in the truck", and off he drove in snowy weather non-stop 1500 miles to Swampscott. That was the first time I met Dave and I will never forget how giving of himself he was then and continued to be throughout the years.

RIP David.

“ It was a great day that David married our daughter Julie and became part of our family.

He was a very caring, extremely knowledgeable and talented man. He helped and advised us on so many projects with our home. We enjoyed many trips on his boat, also many cookouts and dinners together. We miss him so much. Love and prayers dear

“ Julie and kids,

I had the distinct pleasure of getting to know David through his volunteerism and his commitment to making our community here within Harbor Cove a better place in which to live. He was considered a good friend and the news of his passing was hard to take.

As a Member of our Association's Board of Directors David enlivened our meetings with his keen sense of humor and made them enjoyable events to attend. This in itself was no small accomplishment given the typical agenda.

While my own direct interactions have been few, you certainly are far from strangers to me as David spoke often and lovingly of each of you. He was very proud of your accomplishments.

He will be sincerely missed and always remembered fondly.

Julie and children,

Although our current times do not let us show our physical comfort, please be certain that you all are in our prayers and good works. David now joins a growing list of St. Therese RCIA team and participants that now stand in joy before the Lord Jesus. David 's service in that ministry, especially his humor, is now eternal. God Bless You and keep you and let His light shine upon you always
