“ Deb, we've been friends and sisters for nigh on 50 years. I will always remember my first time meeting you. .that beautiful hair and shy smile. Thanks Bernie for sharing your girl!  
All the fun we had as a foursome, the laughs, the love. You were always braver than me.  
You took me skydiving! Literally! I remember driving up that dirt road in Ann Arbor, going What! Skydiving! Cool! Oh wait skydiving in a freaking CORN field! We

laughed so hard

I remember spending the night at your house all those times, falling asleep as dawn was coming into your open bedroom window, breeze blowing the curtains.

Your family taught me to say "I love you" often and mean it. I wish Danny could have known you as a teenager, he'd a loved you then too!

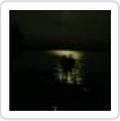

I was always so proud of you. Of Bernie, of how you made a great life, beautiful son and the loyalty to your family and loved ones. Being apart in distance never lessened our bond.

This distance won't either.

I love you.

“ Dearest Bernie and family.  
Words cannot express how badly I feel at this time.  
I am so sorry for "our loss".  
So many memories of Deb over almost twenty years of friendship.  
Time separated us in intervals, but, after years of being apart we picked up right where we left off.  
Deb was a true friend to me and I'll keep her spirit in my heart forever.  
Praying for strength and comfort for you all.  
Many Blessings.

“ My name is Elisabeth Soles and I wanted to share the memory that I have of Deb. Years ago when I started here at HPCCR, I oriented with Deb. I remember the plan was that I meet her in the afternoon at a local facility and sit in on a admission with her. I arrived a few minutes early, as i sat in the parking lot waiting I see an SUV drive up and the nurse gets out. I was so impressed, with her. For you see I had left another Hospice organization that lacked "appearance" for the lack of a better word. When Deb got out of her SUV her hair was nice, her scrubs were not all wrinkled. She was pleasant and friendly. I observed her with the patient and then with the family. Always professional, answering all questions and it struck me that she spoke with the family, just as she had spoke with me. I believe that Deb had a kind, loving spirit and I pray that she is in Heaven looking down on all of us. My prayer for her family would be love, peace and unity.. be there for one another and reach out to others that can help in any way. Although I have seen Deb many times recently, this is my memory of her that i will always hold in my heart.
