“ I was so saddened to hear about Frankie's passing. We haven't seen each other in a long, long time....but going to school with him and Freddie all those years...almost makes me feel like family. Freddie and family, just know that I am praying for all of you that the Lord will give you the strength to get through this and comfort you in the days ahead. Love to all, Sheila Benfield Goodwin

“ Condolences to my family...your life on Earth is done. Now your new life in Heaven has begun.. You are a son, a grandson, a brother, a cousin, a nephew, a friend, an uncle, a husband, a son-in-law, a brother-in-law, a father, a father-in-law, a grandfather, a man... I remember, as a child and your little cousin, that you always had a smile. I remember how much you loved hunting and fishing and eating good food with family and friends. You proudly served our country. You will be missed and remembered for being all these things. Farewell my cousin Frankie, until we meet again.
