“ Dear Johnathan,  
Dear Nicole & Jess,  
Dear Dee and family,

Gayle will always live in my heart and in the hearts of so many she touched. She was a rare gem, an extremely special woman. She was generous with her heart, had a vivacious soul, and a fighting spirit. She's the strongest woman I know. She's taught me many life lessons with her warrior ways. Loved our friendship, her smile, and her energy. It's going to be different without her lead, her loving ways, and her enthusiasm. She lit up a room and that light still shines and always will. Gayle's stay on earth ended too soon, but now she's an angel overlooking all of us- only a cloud away. Love our Gaylee, always.

My deepest condolences to all of you. Johnathan, there are no words that would give you the comfort you need, I wish you strength and inner peace. Nicole and Jess, your Mom will continue to guide you from heaven, I have no doubt. She loved you two dearly.

Dee and family, I know all of you must miss her terribly. It's up to us to learn to live with the love she left and the memories we keep dear. A tough feat for aching hearts. My thoughts are with you during this extremely difficult time.

With love and affection,

Ana Alicia Wilmer
