“ I worked with Glenn for many years. He was more than a boss, he was a friend. We miss you and love you very much. He has helped me in so many ways in the things he taught me and told me i would be good at whatever I do. I now have my own business and an employee. When I have a difficult time going on i stop and think about what would Glenn do in this case. He was a great business man. Thank you for believing in me.

“ Glenn went to the same Sunday Morning with us when we were in Concord, NC area. I loved his dry wit and remember his granddaughter that usually came with him. Glenn truly loved his family.

“ Marcia, We are saddened to hear that Glenn has passed on. We dearly enjoyed visiting your store and chatting with Glenn. He was always so laid back, cheerful and blessed with a great sense of humor. A true Southern Gentleman. Please know that you are in our hearts and our prayers. May our almighty God wrap his strong arms around you, lift you up and carry you through the difficult days ahead. In peace and love, Beverly & Jim Holt (Mooresville, NC)

“ Glenn attended Sunday morning meetings in our home for many years, and always had something good from his Bible to share with us. When he entered our living room he'd greet us with a slight formal bow and a hearty "Good Morning". His prayers and testimonies were that of a kind and loving soul who loved God and his fellow man. When asked after meeting how he felt he'd often just smile and say, "I'm pretty". We'll miss the wise counsel and humble spirit of this good and sincere man.
