“ To Mr. B.,
My heart is broken. For the short 4 or so years that I grew to know you, you became a special person in my life.
I wish I could have said goodbye.
I will miss you every day,

“ I was fortunate enough to see Jim before he passed. I was driving to the airport, and flipped on the radio. The first thing I heard was 'Bad to the Bone' by George Thorogood. That was Jim's unofficial theme song. When that song was over, I flipped stations and Rodney Dangerfield was on. Jim loved Rodney Dangerfield. Those coincidences were sign to me that I had made the right decision to drop everything and go see Jim. Rest In peace, Jim!
