“ So sorry for your loss. He was a lot like my Dad, must have had something to do with the military background. If he found you sitting, he would find something for you to do. I'm sure he and Dad are having a good time now.

“ My thoughts and prayers are with y'all at this time. God Bless all of you. Just a little memory when Jim was a control operator at Marshall. He use to come in and throw his keys on the old desk. I would be sitting there and when he wasn't looking I'd grab them and hide them. He would always catch me. Awesome man. Neal Long

“ We were so fortunate to have Jim (Mr. Stowe to us growing up) as our neighbor. If you needed help, he was there!! My mom thought the world of him, as did my sister & I. We will miss seeing him working in his yard, which, by the way was beautiful & immaculate!! To say he was a good man is an understatement....Godspeed, Jim....

“ We called him Jim at work. Jim was my supervisor for a period of time. He would not have you do anything that he wouldn't do himself. Great person. Prayers to the family for the loss of their loved one.
