

Jean McCauley Homesley

March 27, 1937 - April 7, 2020

Jean McCauley Homesley, 83, of Davidson, passed away peacefully on April 7, 2020 at Novant Health Huntersville with her loving daughter by her side.

Jean was born on March 27, 1937 in Richmond, VA, to the late Everett and Elia Wilson McCauley. She was a graduate of UNC-Chapel Hill and was an avid Tar Heel fan!! Jean retired from McGuire Nuclear Station where she was loved by so many and known as “Jean Jean the Switchboard Queen”. During her long career at McGuire, she forged many, many lifelong friendships. Her zest for life was enjoyed by all her coworkers. Her former coworkers have said, “She was a blessing to the McGuire family!”, “Jean was special and shared that specialness with all she knew and met” and “She was a friend to all and will be missed immensely”.

Some of Jean’s fondest memories came from the great friendships she made and fun times she had over the years at Stone Bluff on Lake Norman. She was often referred to as the “Mayor” of Stone Bluff for her love of the community and friends there. She loved all of her neighbors, young and old, so much. Jean took great pride in watching the children and grandchildren of her Stone Bluff friends grow up. Jean’s family can’t thank her Stone Bluff friends enough for all of the love and devotion they have shown her over the years and all they have done for her. They brought her so much joy and happiness.

Jean held her good friend, Richard Stutts, very close to her heart. He was like a second son to her and they shared a wonderful friendship. Jean was also very grateful for the fun friendship and great support Rosie McNeil has given her over the past 8 years.

Jean is survived by her children, Cliff Homesley and wife, Fariba, Blair Homesley Hawley and husband, Jason; sister, Pat Monacella and husband, Vinny and their children, Anne, Mike, Joe and Steve. The greatest joy of her life was spending time with her grandchildren and watching them grow up to be such fine young men and women. Jean cherished every moment she spent with them and loved them with all her heart. She was so involved in their lives and cared about their happiness and well being more than anything in this

world. They had many great laughs and fun times together. She was such a loving and devoted "Gagi" to her grandchildren, Troy Homesley, III and wife, Sonya, Persia Homesley (Ray), Cyrus Homesley (Marjon), Darius Homesley (Jennie), Kenan Hawley, and Landon Hawley. She is also survived by her children's father, T.C. Homesley and his wife, Jacquie.

A Celebration of her life will be held as soon as conditions permit.

Memorials may be sent to the charity of the donor's choice.

Cavin-Cook Funeral Home & Crematory, Mooresville, is serving the Homesley family.

Condolences may be made to www.cavin-cook.com.

“ Cliff I am very sorry for the loss of your Mother. I was informed by my brother Nick that she had passed away. It is so very tough for anyone to lose their Mother. While I did not have the pleasure of meeting your Mom, it is very clear that she raised another pillar in our community in you. You will always be able to draw on that God given strength. You and your family are a blessing to the Carrington family and many more within our community, thank you and your Mom!

“ Cliff and Blair, I have many wonderful memories of Jean and how she made me feel special. Her smile, a warm good morning or just taking a moment to listen or talk. She was truly a beautiful woman inside and out.

“ Cliff and Blair, I have many happy memories of Jean when you all lived on Fieldstone directly behind our house. We could always judge the warm weather seasons not by the trees budding or the flowers blooming but by the date Jean would pull her yard chair from storage and begin working on her tan. My sister, Lew Ann babysat for Blair many times. Later I had the privilege to work at Park View School where your mama was a TA in the classroom next door. We shared many stories and laughs. She was a beautiful person.

“ She improved everyone’s day with her permanent smile and greetings by name with wishes for a wonderful day. I hope to have a fraction of that kind of positive influence on people and to be remembered the way I remember Jeanie

“ Jean was one of a kind and will be greatly missed by a lot of people. I so enjoyed our “Dukie meetings (girls’ night out)”. She was our President. I wouldn’t trade those memories for anything. Every year, I called her to wish her a Happy Birthday. She always knew it was me calling and would answer “ring-a-ling-a-ling” That warmed my heart in a way I’ll never forget. Love you, Jean May you rest in peace.

“ Jean was like my second mom. Jean started working at McGuire in 1982 and every day when I'd be leaving work, I'd stop and talk to her. The first Christmas I knew Jean, she made a comment about dreading the thought of putting up her tree. I said, "I'll put your tree up! "
I continued to put her tree up every year since then. In 1987 when I got married, Jean had a special seat, right behind my mom with my grandmother. These past few weeks have been hard not getting to see her. But on Tuesday, Blair let me FaceTime with Jean. We had discussed what I'd sing for her service over the past 10 years and the final song she chose was "Somewhere Over the Rainbow ". Tuesday she said "Sing it now". So I did! You are safe in the arms of Jesus, my special friend!

“ I knew sweet Jean from working at McGuire (as did everyone who worked there when she did!). She was the first person you'd meet in the morning and last person you'd see when you left; so you'd arrive with a smile and leave with a smile! Such a great personality; she was everyone's friend - I could go on. Condolences to and prayers for the family.

“ Steve and I are so blessed to have known Jean. She welcomed us into the StoneBluff community with such friendliness and enthusiasm making us feel like "this is home". We became immediate friends and shared many days at the pool, and chatting during her daily walks. Jean was such an inspiration to me. Always living life to the fullest in spite of her difficulties. Jean gave me the gift to go on after my surgeries. we will miss her beauty inside and out. Prayers to the family.
