

Joni Lynn Berry

January 24, 1961 - July 10, 2020

Joni Berry died after a terminal illness on Friday, July 10, 2020. She was the daughter of Forest and the late Peggy Berry of Valdese, NC. In addition to her father, she is survived by her loving partner, Cindy Adcock.

Born on January 24, 1961, Joni graduated from East Burke High School. An exceptional athlete, Joni was inducted to the East Burke Hall of Fame and went on to play basketball for the University of North Carolina-Chapel Hill. She remained an avid Carolina fan.

She started Lake Norman Transportation and grew it into an incredible business. She had great people working with her, Cindy, Tammy and Laurie. At Christmas Joni entertained her customers over the course of several days. She came home exhausted but also exhilarated.

Joni could have you laughing til your sides hurt. A quick wit and amazing story teller. St. Peter will forgive some of the language for a true appreciation of her sense of humor.

A zealous dog lover, she and Cindy supported the Lake Norman Humane Society with more than just money. They brought dogs and cats from hurricane devastation to a safe new home; worked with pups at the shelter; and brought a fair share of them into their home. Through her support for Hospice, Toys for Tots and anonymous acts of kindness, many a child and family have been helped. Always thoughtful, she took her mom and dad to Cherokee for Christmas because that is what they wanted to do. Neighbors received

vegetables from the garden and a call to come over and dance.

A customer of Lake Norman Transportation was in a golf cart accident and had amnesia. Joni went to see him and told him, "You know you are the luckiest man in the world because you got to meet Joni Berry twice in one lifetime." We all know that Joni was larger than life and there is a black hole in our universe. We wish she would come back so we could meet her twice.

Due to Covid-19, a celebration of Joni's life will be held at a later time. If you wish, please make a donation in her memory to Lake Norman Humane, PO Box 3937, Mooresville, NC 28117 or online at www.lakenormanhumane.org. “ Joni was an out standing young lady, excellent student and an amazing athlete. I was very fortunate to get to coach Joni during her years at East Burke High. She was the hardest working athlete I have ever known. She made everyone better. I owe Joni the credit of my career as a coach. She made me better. She is missed. God bless you Joni. Rest in peace. “ I was sports editor of The News Herald in Morganton when Joni starred at East Burke High School. I've never forgotten the fire with which she played. Afternoons after work, News Herald colleague Charlie Atkinson and I would go over to East Burke and play 2 on 2 with Joni and her teammate, Angie Benfield. That was 40 or so years ago and it remains a great memory from long ago. I think they beat us more than we beat them. Blessings to her family and friends, I'm not surprised she went on to live a passionate life. Ken Garfield, Charlotte.

“ I had the pleasure of being Joni's band teacher from the sixth grade to ninth grade. She was a good athlete, but she was also a pretty good trumpet player. Most of all, she was a good person, and her smile would light up the room. I remember the last day of school of her ninth grade year. She would be going to East Burke, and I would

no longer be her teacher. She and Patricia dropped by my office to thank me for being their teacher and friend. Joni, I told you then and I'm saying it again, you were a very special girl. May God now hold you in His loving arms.

“ What can I say about Joni Berry? My memories of her spanned more than 40 years ago. I was young, an athlete, and I loved basketball. I grew up on the heels of JB, I watched her play throughout her career. She was fiercely competitive and she had such a love for the game. Women's basketball was better because of Joni Berry. You might not have known it but I was a better athlete because you inspired me to push myself, to believe in myself, and to love the game like you did. For that I am thankful. RIP Joni

“ I always looked forward to seeing Joni during her annual luncheon sponsored by Lake Norman for the staff at Alliance Plastics (during the Holiday season). She would lunch with the staff and share stories that made the entire room light up with laughter. Her friendly personality was infectious and always expressed kindness to everyone. She will be missed.

“ I can't believe Joni hired me - during my interview, I ended up in tears simply because I couldn't understand anything Joni was saying - my yankee thoughts were that North Carolinians spoke slowly - - - well not this beautiful lady from Valdese! :)

“ I haven't seen Joni in many years, but I've never forgotten her big smile and forever-positive attitude. My deepest condolences go out to Cindy, her dad Forest, her family, and her many friends. She always made everything seem better and effortlessly exhibited traits most people just aspire to. Her spirit and love of life will be missed by all who were lucky enough to have known her. She made a difference in this world...

“ I went to high school with Joni. I sat between her and another friend in a class. The other friend asked me one day, hey, I thought you were dating so and so. I said yes I was but I went to a party and he was making out with someone else. (Long time ago folks) The gal asked me who and I said Joni. We all laughed our asses off! I lost touch over the years but I've always thought of her as so cool and strong!

“ There are some people that are blessed with a special gift inside of them that just illuminates brightness onto all of those around them. Joni was blessed with that special gift. It didn't matter how bad of a day you were having, how frustrated you were, if you were lucky enough to have a conversation with her, you were instantly taken to a better place. Her infectious humor always could make you laugh on your worst day. She was a truly beautiful person, both inside and out, and she will be so very missed. Sending all of the love, strength, and everything else I can to Cindy, her family, and all of the wonderful ladies at Lake Norman Transport.

Heather McMahan - July 15 at 10:24 AM

“ The world is a little less bright without her here. Period. At first, I was gonna say without her smile or sense of humor...but that wasn't it. It was all of her. It was everything she embodied. Joni was the Ultimate Light. You could sense her joy and goodness and her heart. Joni was GOLDEN. I miss her so much and I know I always will. My heart goes out to Cindy and her family. I wish you all peace and love and that beautiful light...Joni is a true example of the absolute best things in a human being. I feel blessed to have been given the chance to know her...even if it was just for a little while. I will hold her inspiration close to my heart always.
