“ Coach Lackey was a Patriot that served his Country to the fullest. He was a great person and i glad i knew him. He let me borrow all his Marine Corp medals from Vietnam to give an oral report in my college history class. He would literally give the shirt off his back to you. He will be missed very much. My thoughts and prayers are with his wife and all his family at this time.

“ I grew up with Larry. He was my 1st cousin. He was at my house all the time. He was always kind, funny and just belonged at our home. He loved all kinds of adventure. He taught at school when my oldest daughter was there and helped her so much. He was a helper in his life. He served in some way throughout his life. Memories of fishing, camping and laughing alot flood my mind. I am proud of him, his life and I will miss him. Till we meet again and I know we will. Rest in Peace till then sweet Larry.
