“ Dear Folks,

Since my earliest memories, Laura, in fact, the whole Smith family, has been as close to our family as if they were our own. Chris and "the boys", Laura and Mary, right across the street from our Granddaddy, "the bunk house", Harry's dogs, Clarence's flowers - I spent a good deal of time at the Smiths, and I loved each one of them! I'm so sorry to lose Laura, but she lived a long good life and leaves a goodly heritage to Mooresville and to society with her fine sons and their families! Won't there be a lot of "catching up" between Laura and Mary, my aunt - after a lifetime of "best friendship" - there'll be some talking going on!

As some of my Hospice families would say when their loved one passed, "Hallelujah, she done reach!" God bless you all and especially Laura!
