“ My heart is so broken right now. I just found out that you have left us. You were my mentor my freshman year at MSU. You were a true friend. You showed me the ropes to campus and of course the do's and don't. We reconnected in 2006 when our daughters went to Cornerstone. We lost contact 5 years ago when I moved to Colorado. I will cherish all of our talks. Rest well. Love, Ronae

“ Jill, I remember the long walk around the block at your home. That was when you told me about your husband to be. You let on how you felt about him. As it turned out, He was REALLY the Right ONE. My talks with your Mother over the years, let me know that he is SPECIAL in all the right ways as a Husband and a Father.

I Love Jill.

PEACE and REST,
Milton
