“

I have been thinking of Robbie a lot recently, and kept meaning to call him. I was so sad when I saw this online. Robbie was my first cousin. His mother Adele, was my father's sister. After graduating from high school, I lived with my aunt and uncle, so I got to know Robbie and Pat as adults. It was only for a summer before I went off to Appalachian State, but it was a great time in my life. I will miss going to visit Robbie and Pat when I go home to Mooresville. I live in Texas now, so I don't get home often, but I always tried to visit them when I could. Rest in Peace, Robbie. May God bless you and keep you. I will miss your stories of our family and your adventures. Love, Priscilla "Pat" Callaway Truesdale.

“ Thank you so much. Pat is a nursing home that was Genesis in Mooresville, now named Citadel. They are on lockdown due to this virus but maybe when they are open again you can visit her.

I'm sure she would enjoy that very much.

“ Dave and I will miss Bob very much. He always had a smile and a positive outlook on life when we talked to him. We feel so grateful to have known Bob and Pat. Dave and Bob and the others in the golf group had a good time playing golf in Fancy Gap, Virginia and Pat and I and the wives of the guys who were in the golf group would do what we do best and that was to go shopping there and having lunches together with lots of good chats. We would get together every Thursday evening at a restaurant here in Mooresville, or surrounding towns for many years which we all enjoyed. Yes, Bob Morrison was a one of a kind man; an outstanding kind friend, a good husband, father, grandfather and great grandfather. He will be missed by so so many people including us Lamberts.

Your work here is done Bob, you can now rest,

“ Oh my goodness! I can't believe that nobody stopped by or called me. It's April 1 and I just called to check on Bob and Dana told me he died. He was the only cousin I had left. We spent many days together as children and shared a lot of family memories. I wish I had known so I could have cooked and cared for all of you. Sending my love to you Robbie, Melyne, Derek, and Dana.
