

Ronald Joseph Enochs

January 9, 1964 - December 1, 2020

Mooresville North Carolina - Captain Ron passed away on December 1, 2020 after courageously battling the Coronavirus.

Survived by Jackie, his loving wife of 32 years, children Samantha (Derek) Flowers, Casey Enochs, grandchild Wyatt Flowers; siblings Brian (Niki) Enochs; Mother Joan Icardi. He is preceded in death by his father Paul Enochs, sister Renee Bodily and brother David Reagan.

Ron was born January 9, 1964 in Canton, Ohio, where he grew up and graduated from Canton High School in 1982. He then moved to Columbus, Ohio after attending Devry college. It was in Columbus that he met and then married the love of his life, Jackie, in 1988.

They moved several times for work eventually residing in a community on lake Norman in Mooresville, North Carolina where Ron became a dedicated software account manager. Lake Norman was Ron's home where his love of boating began and of course where his nick name Captain Ron grew on everyone.

Ron was a devoted husband and father. Ron helped care for his in-laws as they aged, and never missed a soccer practice, game or tournament. Always at countless guitar and piano lessons, always there for his family in any way he could be.

Ron was an avid Panthers fan who loved his team. Ron never knew a stranger and formed lasting friendships along his encounters.

Ron will be deeply missed by his family and friends.

Until we meet again Captain Ron, anchors away.

“ We have so many memories with Ron as we were so fortunate to live across the street from Ron, Jackie, Sam, and Casey. My phone decided to make its own video for some of the zillions of pictures! Ron was so helpful to everyone even when Jackie was working especially long crazy hours during the holidays. Ron would cook, take the girls to various activities, help with Christmas trees, help Scott with ceiling fans, outdoor projects, and was my dad Lyn Bond's right hand co-captain whenever dad broke down on the lake Ron was there! In fact dad, as we all did, loved Ron and Jackie so much he sold his beloved convertible to them so us siblings wouldn't fight for it. Ron was crazy about spending time with "Scottro" at Nags Head whether during a nor'easter or a 100 degree day. Boy we all had the best times with Ron and Jackie there and they have two girls to speak to that. Hugs! You are missed now and forever. Excited to see the Ron genes in handsome Wyatt! Most all of these pictures are either on or around the water-Captain Ron! An anchor to our hood!

“ I'm so sorry to hear about Ron. I didn't know until today that he went to live with Jesus. He was a good and caring person and he will be missed so very much.

“ My friendship with Ron was really just beginning. Jackie was my friend first and through work initially, so you really cannot mingle freely. But after retiring, I was blessed to experience Ron and Jackie as a couple and as true friends.

Ron and I were competitive cooks. Tossing out recipes and culinary challenges to one another. ‘Anything you can do, I can do better...’ Talking food smack.

Ron was also willing to become my handyman. I look around my home and see all the things Ron touched and made better. He spent at least 10 hours on replacing one drawer, the drawer from Hell. And yes, it was incredibly frustrating and a pain in the butt, but he was always able to see the humor in it and not the frustration.

But the most beautiful way that I knew Ron was as a loving husband to his wife. Often bringing her breakfast at work, as well as lunch, eye drops, nose spray, and coffee or smoothies. Also picking up for all the office staff. He told me once, ‘She’s the boss, and I love her.’

And knowing Ron as a father and a dad. The tears of joy, pride and, yes, sadness, as he gave Samantha away as a bride. His love and acceptance of her choice for husband. His anticipation of becoming a grandfather.

His pride in Casey and her love of soccer and looking forward to her growth and whatever path she might choose.

To my friend, you will be so missed. But you’ve touched us all in ways that will impact our choices as we journey forward. Wish you were still here to give us your calm assurance and acceptance.

“ Ron's humor and fun spirit always brightened our day. If he could bring a smile to someone's face he'd do whatever it took. A great man. We enjoyed his friendship and will miss him deeply. Love Frank and Jennifer.

“ I don't even know where to start. I remember when he was Jackie's new boyfriend and we were still living in apartments trying to figure out what to do with our lives. We shared a lot of time together as single people and then as parents watching all of our awesome kids grow up together and no matter how far apart we lived it always seemed like we still lived in the same town.

We were all very fortunate to spend so much time with Ron and seeing him enjoying his family as much as he did. Family is what he lived for and he would do anything for anybody. That is what I am going to remember about him and try to forget his terrible slice off the tee!

Miss you so much, so many great times,

Chip and Karen

“ Ron, a unique individual. He could fix anything, then, wash his hands and prepare a gourmet meal. All the while entertaining you with stories. He will be missed! We will miss him!

We spent many a day, nights, Holidays together as well as with all the best friends and neighbors that I ever experienced. “ Captain Ron will be so so missed. I grew up in Lake Norman across the street from the Enochs' and our families have always been so close, even as we lived in different cities years down the road. I will never forget all the good times on the Lake, at our soccer games, and especially over the past few years when we met up at Panthers games. Ron was such a great person, and this picture depicts the huge smile he always put on everyone's face.

Olivia Simpson - December 09, 2020 at 01:35 PM

“ Ron you are a wonderful person who loved and cared about everyone. We are going to miss you so much. Especially on Panther game days! Weather it was tailgating at the game or on Hunt's back porch Sunday football days were great and will forever be changed w/o your presence! God gained one heck of an angel Tuesday! Keep an eye on your family from heaven and I will help when needed down here. You will be missed...

“ I still can't believe my great friend of 20 years is no longer with us. Ron always had a smile on his face, and absolutely knew everybody in town. He was the "Norm" of Mooresville! Ron was always taking care of people, including me. With my ongoing "unstable walking" issue, Ron was always by my side to make sure I didn't fall, especially if we had been drinking :). If you needed ANYTHING, Ron was at your side in minutes to help you out. He truly was an exceptional giving person. He thought of everyone before himself. God took an exceptional human being from us, way too soon. I hope they have boating up in heaven, and that he got a new boat that was a little more reliable :). Love you Ron and am thinking about the good times we had.
