“ Dear Pete,
Tom and I have missed you and your family ever since you moved from Glen Head! Terry was especially kind to me. She welcomed me when we moved in. She reached out to comfort me in challenging times. She was lovely to my children. She was a gracious lady at all times and a wonderful neighbor.
May happy times, faith, family, and friends comfort you and all the family.
May she rest in joy with those loved ones who passed before her and may she send blessings to the family from heaven.
With Love,
The Kelly's- Tom, Linda, Devon & TK

“ Dear Pete,
My heart goes out to you and all your family. Although I never met Teresa, I witnessed your faithfulness and caring love, so I know she must have been a loving and caring woman herself, to merit your devotion. The ice cream you took to her and her friends, your excitement when her sisters visited, the priority you set on your regular visits all spoke to me of your love.
I know you all will be going through some sad and lonely days as you mourn your loss.

I pray that you will find,
The love and support of family and friends and the comfort that comes from your faith in God.
My deepest sympathy, Nora
