“ No words can express my deep sadness at the loss of one very special young lady. I knew Teresa from the time she was born in San Diego. We were next door neighbors. I was lucky enough to keep in touch over the years and she Christina and Madalin visited me a year ago. Rest in peace Teresa and thanks for all the wonderful memories. Never a Christmas goes by without thinking of years gone by. Love you

“ Theresa Smith was a teacher that students won't ever forget. She put in long hours everyday, and made every child feel special. She had a special bond with each of her students and their parents. I feel so blessed to have been a co-worker of hers as well as a friend. Theresa made time to meet the needs of all her kids at school and loved to talk about the time she and her husband spent when she was off as well. Heaven gained an angel March 29th, 2018, and her students lost a teacher who was one. I, along with so many others will miss her so much.

“ My thoughts and prayers are with your family in your time of grief. May your memories bring you comfort during this time. Teresa and I worked together at Shady Grove and she always had a smile and was ready to help. I remember being so impressed seeing her (and her husband) painting her classroom such a bright cheerful yellow. She will be missed by so many.
