“ Bill and I are glad we were able to spend time with Uncle Tom when we were in North Carolina last year and share some laughs and memories with him. It is never easy losing a loved one and especially hard losing a parent. Our thoughts and prayers go out to you all at this difficult time. Sending love to you all from California.

“ I was privileged to help care for Mr. Davidson during these past two years. He was good company for my weekends. We had many interesting conversations, mainly that which was concerning work, (farming, being on the road, or being at school myself.) He had a good sense of humor also. He always looked forward to his family's visits. One of the last things he shared with me was how to drive to get better engine performance out of my low-powered car motor. He also made jokes about my wheel chair driving! Rest in peace Mr. Davidson, with Love. Deb P CNA
