

Thomas Daniel Stump

January 15, 1964 - April 11, 2020

Thomas Daniel “Dan” Stump, 56, of Mooresville, passed away Saturday, April 11, 2020.

Born January 15, 1964 to Dan Stump Sr. and the late Judith Lanning Griffith in Iredell County, NC. Dan grew to become a fun loving man with a heart bigger than he was. He gave everything he could to his people and his community. His love knew no bounds. As a dedicated employee of 20 plus years at Randy Marion Automotive in Mooresville, he formed bonds with people from all walks of life and worked hard to provide for his family. Dan was a man of God and loved The Cove Church in Mooresville. He attended weekly and gave abundantly. He began each morning with a cup of coffee and a talk with God on his front porch to pray for those he loved dearly.

Beyond God and giving, Danny was a man who loved Sunday Fundays with his beautiful wife Kim, working in the yard, listening to classic rock, supporting the teachers and dancers of The Academy of Dance and Fine Arts, rooting for the Carolina Panthers as an original PSL owner, and generally living life to the fullest.

Dan is survived by his wife Kimberly Gibbs; son Daniel Stump and fiancé Krystal Everwine; daughter Lauren Gibbs and partner Omar Benyounes; special “daughter” Tonya Chapman; Mother-in-law Brenda Goodin; and his beloved furry friends, Twyla, Maxwell, and Izzybell.

A celebration of Dan’s life will be held at a date to be determined when all can come together to celebrate a man who touched us all and is worthy of a large gathering of love and mourning.

In lieu of flowers, a donation of food or money may be made to The Cove Church Food Pantry, 197 Langtree Road, Mooresville, NC, 28117.

“ Dan and Kim joyfully bounce into the Cove food hut demanding shopping carts for all they would buy. Some days he would bring roses for the volunteers and we loved him dearly for the way he would show appreciation. He was a generous giver and a blessing to many. I will never forget you Danny, see you in heaven my dear brother. Bringing 2 big carts in your honor when we open back up.

“ Daniel was such a nice man!! I waited on him a lot at Captain's Galley, and he always had a smile and a kind word! My heart goes out to his family.

“ About 15 years ago my wife and I were walking around the used car lot at Randy Marion and a big booming voice said "can I help you sir" and with that simple statement a professional and then(to my enrichment) a personal relationship formed with Dan. The one thing I might say about him that already has not been said was that every time me or my family were there with Dan he seemed to always have a customer waiting. I compared that to a trusted doctor who people do not mind waiting for because when you got to see him you got his undivided attention and his best effort to help you. Dan was honest and to the point and he always made a point of getting to know and remember his customers. My families heartfelt condolences go to his family and friends. He is already missed.

“ Dan was one of the kindest, friendliest people I know. He always went out of his way to ask how I and my staff were doing every time he was in the office. He always put a smile on my face and I looked forward to seeing his name on my schedule. I know he touched many lives like he did mine. I am forever grateful that God crossed our paths. He will be greatly missed.

“ What I remember about Dan coming into our office is that he was always so full of life. He was always so happy. Never said a bad word about anyone and he loved his wife to the ends of the earth.

“ I will always have memories of gratitude at the sight of Dan and Kim hauling bags on carts of groceries to donate to Cove Food Hut. This special guy wanted to show his appreciation by bringing a rose for the volunteer from time to time. You were a great example and a good and faithful servant whom i am blessed to have served alongside. I will miss my annual birthday call! Save me a spot buddy. Until we meet again. Carrie

“ Met Danny almost 20 years ago buy chance. One the first dates with my wife to be Kim and Dottie saw each other in Applebee's. While they caught up Danny and I shared a pitcher of beer. This led to day trips to the various places, week long vacations to Hilton Head and many, many good times.
Danny had a greeting for everyone. My buddy, my friend, old friend, sweetie, babygirl and my personal favorite my brother from another mother. Every conversations ended with I love you. We had the honor of having Kim and Danny stand for is at our wedding just a few years ago. He will be missed by so many and he loved us all.

“ I met Dan approx. 18 years ago ... buying a car! We spent many hours together over the years ... I seemed to trade/buy many cars! Stump wasn't just a car salesman ... he was an everlasting friend to me and many others. That is a big part of why his office walls were covered with plaques. He will be greatly missed by so many people.

“ I had the blessing of working with Dan for nine years. Over that time we became very close Christian brothers. We would have our God talk everyday and share how much the Lord had blessed us. When I would get frustrated with work, Dan would remind me of our God's love and the day always got better. I would do the same for him, we would say iron sharpens iron, it was God refining us! I watched Dan over the years truly fall in love with Jesus. I know I will see my brother again and as he would always say, "Love you brother!" ~Harry Collins
