As an active contributing member of Triplett United Methodist Church, he taught Sunday School, served on committees, and worked with the Methodist Men.

Bill grew up on his family's farm in Davidson along with his brothers and sisters who he loved dearly. Outgoing and friendly, he enjoyed people and made friends easily. He was always happy to help others. His daughters and grandchildren will remember him as generous, welcoming, dependable, loving, and someone steady to lean on.

“ I never had Mr. Griffith in school but he was always so nice. I knew him better from church. He and his wife Charlotte were members at Triplett United Methodist church where I also am a member. They both were so nice and friendly and I loved talking with them at church. Mr. Bill will be terribly missed. My prayers go out to all his family. Rest In peace Mr. Bill.

“ Mary and Gail, Griff and I send our love and prayers to you and your families. Our “Uncle Dickie” was such an inspiration and role model to many students thru the years in Mooresville Schools. He touched so many lives in his 95 years. He welcomed me into the Griffith family with open arms. When I knew him as assistant principal at Mooresville Junior High little did I know that 12 years later he would be my uncle when I married his nephew. He always came up behind me for a hug when we saw each other and I always knew it was Uncle Dickie. I can tell you that his sister Tubby loved him so much. I know he is now reunited with your Mom and his family who left us earlier. We look forward to seeing you at the service.

“ Gail and Mary Ellen, I'm so sorry to hear of your loss. My parents loved your dad and I have enjoyed seeing him around town since they died because he always talked to me about them and told us funny stories. He was a wonderful man who always seemed upbeat and kind. I'm praying that you have peace now and are comforted with all your memories of him. Janet Reece Moore

“ Mr. Griffith was my eighth grade teacher. He taught life lessons, not just book lessons. One thing he instilled in me was to always look at whoever was speaking to you. He and I shared the same birthday which was always close to the Triplett UMC BBQ. We used to laugh and say that the church was giving us a birthday party each year. A wonderful and caring man. “ Mr. Griffith was a sweet person. I had him for Drivers Ed. He knew I had a fear of bridges, so what does he have me do my first day under the wheel. Drive over 150 bridge. He always smiled and spoke to you when you passed in the hall. I know his family has precious memories that will help carry you through this difficult time. My prayer and condolences.
