“ Just heard about the passing of Aaron, my heart goes out to the family/friends, I've known Aaron since he was in his early 20s, though I hadn't seen nor-talk to him in years, he had help me on several building projects, he was always fun to work with, (was a hard worker). RIP old-friend!

“ Thank you to everyone that has put a message on Aaron's guest book. Reading them brings tears and joy to know that he had touched so many hearts. As always, he was my favorite son (inside joke that Aaron and I had when he was younger).

“ I close my eyes & drift back to 1993/94 when Aaron was one of my students at Brawley Middle School: blonde,lankey, a million-dollar smile, cooperative with a hint of mischief, and always questions. Aaron was one of my kids for 180+ hours in a school year. My thoughts and prayers are with his family and close friends.

“ I did not know Aaron but knew of him through my son. I would talk to Jeremy on the phone and he would tell me about his friend AC that he worked out with. He also told me how encouraging Aaron was, not only to my son, to everyone that knew him. I am so sorry for the loss of this young life. My thoughts and prayers are with you.
