“ *I'm so sorry for Abbe's passing. She was a wonderful person with a strong intellectual spirit. She was the asset manager for a resort I manage, and over the years, my respect and admiration grew for her. She will be sadly missed!*

“ John so sorry to hear about Abbe. I worked with her at the Copley Plaza Hotel for both Wyndham and Fairmont and remained good friends with her for many years after. She was a beautiful person with a big heart and was always passionate about her work. I have always enjoyed catching up with her since her move to Rhode Island and then Carolina. I will truly miss her as I'm sure many will.

“ John, so sorry to hear about the passing of Abbe. The words below could not be more appropriate. "When you die, it does not mean that you lose to cancer. You beat cancer by how you live, why you live, and in the manner in which you live." - Stuart Scott I think everyone would agree Abbe certainly beat cancer with her perseverance, fight and is an example for all.
