“ My deepest condolences to Evelyn and the entire family! Whenever he came into the clinic with his wife, he would be smiling from ear to ear. He told me stories on how he loved to cook for his wife and family. He expressed how much he loved his children and grandchildren. He was very much a proud husband, father, and grandfather! I pray that God be with each and every of you through this difficult time.

“ *Though we knew Abi for only a short time, we will remember him fondly. He was a kind man, willing to lend a hand to his neighbors or share advice readily. He clearly adored his family and we are truly heartbroken for all those impacted by this profound loss. Not a day has gone by that we haven't prayed for you all.*

“ To my cousin Abi from Genaro Acevedo,  
I will always carry you in my heart, I will always remember your smiling face, your kindness, your hospitality, your eagerness to help others.

*I remember the times I spent with you, you taught me how to drive a truck, you were so happy to share everything You knew with me. I can never forget you my cousin, we all walked our own different Paths, such is life on this earth but I know that I will see you again when the trumpet from heaven should sound and those who are asleep will be awaken and we will be forever together with God.*

*To the rest of my family I love you all, I'm so sorry that I cannot be with you to share your pain, I know that you all loved him and will miss him greatly, be strong in your faith and you will see not just Abi, but also all those who sleep before him.*

*God bless you all.*
