

Addison Grace Hutchison

January 23, 2008 - August 8, 2019

Our Sweet Addison Grace lived her life to the fullest. She was full of smiles, energy and love for all of those who were near and dear to her heart. She was full of God's spirit and love and wanted to learn and blossom more in Him. Even though her journey here on earth was short, we know that God had a very special plan for her with Him. Although it is hard to say goodbye, we know that she is in the best hands and will be glorified in His name. Addison was released into the arms of our Lord and Savior on Thursday, August 8th at her residence.

Addison was born on January 23, 2008, in Johnson City, TN, to Michael Shane and Shelley Porter Hutchison. Addison was a student at Lakeshore Middle School. She enjoyed gymnastics, swimming, creating TikToks, loving on her brother, playing with her brother, spending quality time with her family as well as her friends and just being free.

She was preceded in death by her siblings Eva Elizabeth and Baby Hutchison, uncle Christopher Norman Porter, grandfather Norman Kenneth Porter and several great grandparents.

In addition to her parents, she is survived by her brother, Porter Maxwell Hutchison; great grandmothers Mary Elizabeth Hutchison and Myrtle Francis Victoria Harvey, grandparents Thomas Keith and Mona Harvey Hutchison and

Brenda Falls Porter, aunt Stephanie Porter Reavis and uncle Derek Reavis, aunt Jennifer Porter Hitchner and uncle Grant Hitchner, uncle Bradley Scott Hutchison, and cousins Jackson Falls Hitchner, Greyson Ross Hitchner, Emily Lauren Reavis, Kaitlyn Marie Reavis and numerous great aunts, great uncles, and cousins.

The family will host a Celebration of Life ceremony on Monday, August 12 at 2pm at Mecklenburg Community Church at 8335 Browne Rd, Charlotte, NC 28269. Doors of the church will open at 1:30 PM.

In lieu of flowers, the family would ask that a monetary donation be made to the Addison Hutchison Scholarship Fund - www.venmo.com/addisonhutchison scholarship. All proceeds will be used toward a scholarship to be determined at a later date.

Cavin-Cook Funeral Home, Mooresville, is also serving the Hutchison family. Condolences may be made to the family at www.cavin-cook.com.

“ Even though it has been 6 years since she has been gone, I still miss her so much. When school starts, it reminds me of her and makes me sad. I was one of her friends at KPAC. We got along well. Our birthdays were in the same month. Even though I was a level bronze and she was silver, it didn't matter; we were always happy together. Even if we were 3 years apart, we felt like sisters.

“ *I remember my first day at LES, Addison welcomed me with that great big smile and those big blue eyes, I knew right then and there that we were gonna be friends. I remember always telling her that she was going to make it to the olympics, i remember her first back handspring at Gymnastics, we were all so excited. I would give anything for her to be back with us. But i'm guessing God was ready to see our Addison, and i know he has great planes for her, and for all of us.*

“ Although we have never met, our daughter also took gymnastics from "Miss Nikki." I learned about your daughter through her Facebook page. While there are no words to make this any easier, please know that you have people praying for you that you may never meet on this side of heaven. This has also been shared at our church, Western Avenue Baptist in Statesville, and on our group page, Cross Anchored. While unimaginable here, the constant in your posts on FB have been that "God had other plans for her life." We will never understand His ways, but we trust that His ways are perfect. Praying that the grace of Jesus Christ surrounds your family in a way that you will tangibly feel.

“ Addison was such an amazing kid. She had the sweetest smile that would light up her whole face and warm everyone’s heart. We first loved her at summer swimming on the Wahoos. Both of my girls adored her and were so happy to realize she was also at gymnastics. So when swimming was done, we still got to see her. It was a highlight for Rinley every time she walked into KPAC2, she got a hug from Addison! Well, as long as she could catch her on a water or snack break. And I know Kaisley looked up to Addison, since she was one year older than Kaisley. As an adult, I always loved my conversations with her. It was like talking to another adult. She was easy to talk to, so polite, and mature. Addison will be in our memories forever and you will be in our hearts as we pray for you during these difficult times ahead.
