

Alberto Caruso

September 17, 1956 - March 17, 2020

Alberto Caruso, 63, of Mooresville, passed away peacefully on Tuesday, March 17, 2020 surrounded by his family at home after a brave, courageous battle with cancer.

He was born on September 17, 1956 in Argentina, to Teresa Agostara Caruso and the late Gandolfo Caruso. Mr. Caruso and his family moved to Italy when he was 8 years old and a year later moved to the United States, settling in Brooklyn, NY. From a young age, he learned the language of the places he lived and was trilingual throughout his life. He was a 1980 graduate of Bernard M. Baruch College in Manhattan. In June 14, 1987, he married Luisa Troia at St. Bernadette's Church in Brooklyn. Al's longtime employer, TIAA Financial Services, relocated the Caruso family to North Carolina in 2004. This turned out to be a great blessing for the entire family. He enjoyed watching movies, especially Westerns and James Bond movies, and loved classic cars. He loved spending time with his family and always put their concerns above his own. Al endured all the treatments available to him to extend his life and never complained. He kept his sense of humor until the very end.

In addition to his mother, Mr. Caruso is survived by his wife of 32 years, Luisa Troia Caruso; sons, Michael Caruso, Christopher Caruso, Daniel Caruso; and sister, Nancy Magaldi and husband, Joseph.

The family will receive friends on Friday, March 20 from 2:00-4:00 PM with a prayer service at 4:00 PM at Cavin-Cook Funeral Home. A funeral service will be held at 10:30 AM on Saturday, March 21 at Cavin-Cook Funeral Home Chapel with Rev. Mark Lawlor officiating. Per Executive Order 117, only 50 people at a time will be able to greet the family.

“ I never met him in person, but Alberto helped me countless times with my retirement issues and payments. He always had patience for my difficulty handling the computerized systems. He was genuinely concerned with my well-being. I wish that I had met him. To his family, I say that I share your feeling of loss. I hope this message brings some comfort. Sincerely, Michael E. “ Luisa and family,
I watched the service while streaming, and it has taken a while for me to gather myself enough to post this message.
Al and I were friends for years from work, and began coming closer when we used to walk together during lunch. He always talked about you all, and constantly talked about the college visits he took with the boys to select where they wanted to go. He loved having them experience that.
I remember once when he told me about a trip you all took right after getting a new car, and how he was being passed up by so many cars on the interstate, and could not figure out why they were going so fast. Then, someone pointed out to him that his speedometer was set for kilometers, not MPH, and how he laughed to me about how crazy he felt.
After he stopped working, I would stop by some times to visit, and we talked about many things, like work, people we knew, politics, football, and mostly his family who he loved so much.
Geoff Rowland, Dave Burgess, and I were even able to have him join us one evening for a night out with the guys, which he really enjoyed.
The last time I was blessed to see him, we went to lunch with another retired co-worker, Clarence Jordan, and Al really enjoyed having a real lunch of BBQ ribs and sip of beer.
I miss you so much my friend, and will always remember you.
