“ Joe, I want to extend to you and your family my heartfelt condolence on the passing of your Dearest Wife Alice. It's at times like these, trying to find the correct words are difficult at best. Joe after learning yesterday of Alice's passing, I could only sit back and reflect on the good times we all shared together as friends and me as an extended member of the family as Carol and Dominic kept introducing me to your children, grandchildren, nieces and nephews. I know for certain that we never lose the people we love, even to death. They continue to participate in every act, thought and decision we make. Their love leaves an indelible imprint in our memories. We find comfort in knowing that our lives have been enriched by having shared their love. With loving memories of Alice Thomlinson Rodrigues
