“ *I send my deepest condolences to the family and friends of Mrs. Kerr. Although I did not know her personally, I've experienced the loss of a loved one some years ago and know it is a difficult situation to face. I pray that her family and friends can find comfort in God's Word, the Bible, and continue to rely on Him in prayer. John 5:28, 29 talks about a hope we have of seeing our loved ones again when they are resurrected back to life. We can be confident in that beautiful and exciting promise, and may it bring you hope and peace!*
