“ *My nights working at the Whataburger will never be the same again. Mandy was my favorite customer I looked for her to pull up every night and very much enjoyed our conversations and making her drinks for her. She will be very missed at The Whataburger and by me personally. Heaven has received a very special angel The lord must have a big job in heaven to call on someone like her to come home. I'm so heartbroken and making a Witchdoctor will never be the same for me. My heart goes out to her family she adored her family so much. I'll miss u Mrs Many always ❤️ T (that's my nick name she always called me by my nick name..)*

“ Amanda was a very close friend of mine. We went to church together and always enjoyed going for Japanese at Tokyo's. I worked with her at Salemtowne and always went by her office to say hello. She always had a beautiful smile on her face and funny stories to tell. I will forever miss you but I know I'll see you again one day. Rest In Peace.

“ I remember the many talks we had about our lives and our children. She would come into my office that was next to hers or I would come into her office, we talked, we cried, we laughed, and we shared. So many memories that I will treasure forever!

“ I met Amanda through Salemtowne. I had just completed nursing school and every interview I tried to go on they always wanted a nurse with at least two years of experience. When I went on my interview Amanda interviewed me and gave a chance. The opportunity she gave me to work at Salemtowne - I am forever grateful. The people I met and the experiences and knowledge I gained at Salemtowne made me the nurse I am today.
