“*Sadly have not seen Amanda as much over the years but always remember her giving me recipes when I was trying to learn how to cook(my favorite pork chops with stuffing on top in the oven) I was so happy to work with her and socialize with you guys back in the day, especially the day you and Amanda and Joe took a newbie to learn how to cross country ski- that was fun until had to go down hill at the end lol. So sorry for your loss but remember the memories* ❤️
