“ Amari was a student in my school about 4 years ago. He was truly a remarkable little boy. He was funny, energetic, kind, and very loving. Amari was a great big brother to the twins and he had a heart of gold. Our Lionville Elementary family is devastated to learn of his passing. We are praying for the entire family and offer our sincerest condolences.

“ When Amari entered the 4th grade, he decided to sign up for a program called Let Me Run. He was so quiet but always a great listener. Always willing to push himself through each practice! During this time, I got to know more about him and I realized he was truly a special kiddo. He was so kind I am going to miss him! 💔
