“ *Oh Amy, I'm so sorry you had to go through this. We had some good times when we were younger. I remember your Dad gave you your 1st care, which was a stick shift. You had no clue how to drive so away we went. I remember cruising Benson with your car that I had to drive. The parties we had, the times driving around Garner blasting music & just living life to the fullest. You were so special & so caring. I will always have fond memories of you. Rest easy my friend.*
