“ My heart goes out to you as you go through this unimaginable grief. Andy was always kind to me, and he was incredibly talented. I'll never forget the Christmas he surprised me by replacing the side mirror on my car—he found it, painted it to match, installed it himself, and refused to accept any payment. Just said Merry Christmas! That meant a lot to me. I've been thinking about you all and hope you're finding some comfort in the middle of all this.
