“ I met this amazing woman when I started with Harris teeter. She was so welcoming and when she left to move up she gave me her number and if I needed anything I just needed to call or text her. We met back up at store 99 in mooreville. I was so happy to be back with her. We talked about our kids and how she could bake and I couldn't. She showed me all the things I needed to learn to move up and she kept the biggest birthday present a secret from me. She know I was going to be proposed to on my birthday weekend and she went out and got me somethings from bath and body works. She was my rock and my work wife. She will always be missed and I was looking forward to us shaking our grove things at my wedding. Her and JT will have their place at our table to enjoy our wedding. I love you wifey!! Smile down on me with those beautiful wings.

“ Angie was a special friend. We moved 6 months ago out of state. She made a point to come over to visit the night before we left with cookies and her special apple butter. She was one of the most thoughtful and considerate people I have ever met. She was an Angel here on earth. God has taken her to Heaven to be an Angel along with her kind and loving son JT. Always in our memories and hearts. ❤️❤️ Mary and Don

“ I met Angie while we were working together at the Harris Teeter in Davidson. She was a wonderful person. If anyone needed anything, she was there. When we couldn't find something or needed help, the answer was always, "Ask Angie." I will remember her coming to the Starbucks counter every morning for her "bean juice." I told her I liked sloths and she got me a little sloth memento, which I still have. She was a beautiful soul. Prayers for her and her family.
