“ *Betty and family, we are so very sorry over the loss of your beautiful, sweet Angela Gail. She was such a loving person, always wanting a hug. Going to really miss seeing her, sending her cards, and the pretty smile and hug she always had for us. May God be with you and bless you with peace and comfort in the days ahead. Will never forget this precious angel.*

“ *We loved Gail. She will always hold a special place in our hearts. She always was so loving. Although we did not get to see her as often as we would have liked will miss seeing her on holidays and get-to-gethers. I wish so much we would have gotten to see her this past Christmas. “ Betty I was sorry to hear of your loss. Angela will be missed by all who knew and loved her. I have many memories of working with her starting at The Village Place and then at LifeSpan in Troutman. She would always bring me a note to work, I will miss her saying Cindy is mine. May God bless you and your family.

“ Betty, I remember one time you told me Gail was the reason you lived. I thought that was the most beautiful comment. God chose you as that young lady's Mother! What a legacy! She thrived and excelled because of you and the Good Lord above. God is probably saying "My angel has come home." Thoughts and prayers for you and your family. Remembering you with admiration.

“ I read a poem today that talked about remember me when the winds blows. After reading that I noticed that with every breeze that blew and with the coolness of the air, when I closed my eyes she was there. Gail with that beautiful smiling face that has forever touched my soul. Gail, I love you. We will see each other again.
