“ My best memories of aunt Lena were her patience and all of the love she shared with all of the cousins. I remember sleeping over and she would give me scraps of fabric to make Barbie doll clothes. She gave me the confidence to do my best with my creativity. I loved her very much and will never forget her. Rest In Peace Aunt Lena

“You have to love someone when they are alive” she would tell me. I hope she knew how much she was loved during her lifetime. She was our second Mom, always making sure to include us. So many memories, that I can't remember a holiday without her when we were growing up. Will I ever make a “tall” house cookie without thinking of her? Certainly not for the rest of my days! I will remember her stories, her laugh and be forever grateful that she was part of lives. Rest peacefully, you brought kindness and love to so many.

Love Fred, Pat and Nicole.

“ I've always considered myself very fortunate to have had you as my Godmother and second Mom. From the moment I was born, a special bond formed that can never be broken. I will forever cherish all of the wonderful memories we've shared and all of the love and support you provided. You will always be near and very dear to my heart. May you eternally rest in peace Lina. Annette, Michael, Domenick & Enzo

“ My Aunt Lena was so kind, generous and loving. She was so gentle yet so strong. She was also very wise and would give good advice and an honest opinion. Her cooking was amazing and I will never forget her many delicious Christmas Eve dinners. I love you always. You will never be forgotten ❤️❤️

Sending love and prayers to a beautiful family. Aunt Lena was a kind and loving aunt and she always ended our conversations with, "I love you." She was a great cook and she and her husband made a great team. I have great memories of so many wonderful family get togethers. May she rest in peace in God's loving arms. I'm sure all of our relatives who have passed, are having a wonderful party together. She will be missed. I love you Aunt Lena. ❤️ Elizabeth
