“ I have to most memories of Aunt Angel from my childhood. But the thing I will remember most is her voice. I would know it from anywhere. I will always remember when she first had Anna and her bring that beautiful baby girl to see us. She was so proud of her. She always had her dresses so cute. I remember the love in her eyes introducing her beautiful granddaughter to us. I will carry Aunt Angel in my heart forever. I am thankful for the memories I have of her.
