“ Ever met a person who was always smiling or had something good to say? I have and Anita was that person. She ALWAYS had a bright smile, a kind word and a lovely laugh to brighten my day every time I had the pleasure of seeing her. Lights like that don't go out. They continue to shine in memories.

Wishing all of her families - personal, work and friends- peace and love during this time. Weren't we all so lucky to know her?

In sympathy,
