“ *I met Charles and Ann at Chick Fil A where I was hostess. I really looked forward to them coming in every week. Two very special people. We talked about how our God was always taking care of our needs. They always ask about my grandson who was in the Navy. I'm not able to work any more but the last time I saw Ann she told me about loosing Charles and how much she missed him but would see him again. They were the sweetest couple God ever put on this earth. Charles always had to have a large ice cream cone after his lunch. I always made sure his was the biggest.*
