“ *I was fortunate to know Ann from 12 years old. We grew up together as close as she or I were with our own sisters. She was brilliant, beautiful, kind and most of all the best friend anyone could have. We were planning a reunion after quite a few years of having lost touch and I will always regret that time played a terrible trick on us. Many of Ann's high school friends are still planning on a dinner in NY this summer and we will be honoring Ann, Jericho high school's "most likely to succeed" at this dinner, that will sorely be missing her presence. I hope she has found peace and reunited with her mom, dad and sister Susan.*

“ Ann was one of those people whom I instantly connected. She was a deep thinker and a true professional. She really cared about people and had an approachable charisma that drew others to want to be around her. My prayers go out to her family.

“ Ann was such a lovely woman and I am in shock to learn of her unexpected passing. She and I were Guardian ad Litem and I really looked forward to getting together with her and our friends for dinner. She will truly be missed.

“ I have only know Ann for a few months, but she made my initiation into the world of Volunteering at Lake Norman Regional Medical Center a breeze. I had truly hoped to develop a good friendship with Ann until God decided to take her. A shock to all of us left here. I want Ann's family to know that she was amazing, inspirational, funny, smart and a person I wished I had known for years. Rest Ann. You were a great person, and most importantly, YOU HAVE MADE A DIFFERENCE. Thank you for being you.
