“ Such a kind hearted soul. Going through his own struggles of just life every day, and taking it on with such grace and wanting to make others smile. It's hard to move on knowing you won't be at the next birthday, or getting us matching PJ's for Christmas. We'll have to keep it going, so when it reminds us of you, we can think back and smile like you made us smile every time. I know you're enjoying the amazing view with Grandma, and keep an eye out on the balloons for your birthday. I love you.

“ Anthony my little brother.
There are no words that can be said to express my feelings. The world is a much less joyful place without you in it . Your LOVE for life was such a joy to see. It was the little things in life that made you the happiest. Getting a opportunity to play with you and the babies in the yard will always be one of my greatest joys in life. Your kindness and love could only be matched by our amazing Mother. My only peace is knowing that you are with Mom. I am so proud of you and all that you have done. I promise to always try to carry on your spirit and continue to honor both you and Mom. (My little family)
LOVE your big BROTHER Tim
PS since you messed up your lawn I guess I will have to fix it..
