

## Anthony Lee Scherman

June 8, 1968 - March 22, 2024

Anthony Lee Scherman, "Tony", 55, of Mooresville, NC, and formerly of Rochester, MI, passed away suddenly on Friday, March 22, 2024. He was born June 8, 1968, in Dayton, OH, son of Terrel "Terry" and Faith Ann "Trudy" Scherman.

Tony was a highly skilled master plumber who never met a stranger. Because of his outgoing nature and gift of conversation, many builders and customers became his good friends.

Tony enjoyed being in nature, especially trips to Hatteras Island to wind-surf in the sound and visits to Linville Gorge to relax at the waterfall.

In addition to his parents, he is survived by his son, Skyelor Scherman; sisters, Angie Forester (Greg) and Amber Hof (Ralph); nephews, Wyatt Bailey (Stephanie) and Ralph Hof; and niece, Holly Bailey.

A celebration of life will be held at a future date at Hatteras Island Sound. Cavin-Cook Funeral Home & Crematory is serving the family of Mr. Scherman. Condolences may be made to the family at [www.cavin-cook.com](http://www.cavin-cook.com).

“ *I was incredibly blessed to know Tony. He and I traveled to Hatteras numerous times sharing stories, talking deeply and mostly laughing. His heart was bigger than anyone I have ever known and I never once heard him talk negatively about anyone. He always found the best in people and that made me respect him immensely. I will miss you Tony, but I know I will see you again. Thank you for all the love you gave to this world! Much love my friend!*

“ We're so thankful for Tony and everything hes done for our family. The most selfless person, always dropped what he was doing to help anyone. I know hes looking down on us while hes cooking the best steaks, making the biggest fires, and of course wind surfing at Hatteras Island all while wearing his hawaiian shirt & plaid shorts. We love you forever “Chloe”.
