“ I’m a cousin of Antoinette’s and have fond memories of her. As I was younger she would entertain me with stories and tissue puppets. Will always remember her smiles, kindness and thoughtfulness.

“ I met sweet Toni years ago through one of her wonderful daughters, Jean Sanders. Toni hosted a group of us ladies for Life Group at her apartment. She always made us feel very welcomed and loved and at times provided her wonderful goodies for us to enjoy! I will miss dear Toni, but I know she is safely in Jesus, arms, enjoying her family who went to heaven before her. Rest in peace, dear Toni.

“ God bless Aunt Toni. She is not my blood relative. As a young girl in the mid sixties. My family and the Recchia's were neighbors living in Buena Park California. We became such close friends my sister Dennise and I would consider their family as family. We loved Uncle Paul and Aunt Toni so much! We loved spending family times with Jean, Pete and Gloria. Such wonderful children of great parents! My Aunt Toni was such a wonderful cook. Her Italian recipes were so delicious and made from scratch. Her sweet spirit is now in the loving arms of our Lord. She is now spending a wonderful reunion with Uncle Paul and all her family. Debbie and Dennise will always love and remember her with fond memories.

I met sweet Toni years ago through one of her wonderful daughters, Jean Sanders. Toni was always so wonderful and hosted our Life Group for years! I always enjoyed going to her comfortable welcoming home! She was a wonderful cook and would have different “goodies” for us to enjoy at different times! I will miss her so much but I know she's safely resting in Jesus' wonderful arms along with her, dear husband and other family members. Rest in peace sweet Toni.

“ When my brother and his wife visited with my nephew from the UK. I popped into see Toni so she could meet my family. Toni was like my American mom so welcoming she was a special lady. I will miss her so much my family in the UK loved her just after meeting her for a few hours.
