“ *Nelson has been a friend for over 30 years and the season we spent rooming together on the road was unforgettable for so many reasons. He was a good man, a kind and gentle man and one of the smartest people I have met. I already miss him greatly and will always remember him fondly....Mark Garrow*

“ To The Crozier Family, We are sorry to learn of your loss of Nelson, he truly was a special person to have known over the years. He was always the same no matter where or who he was with, his knowledge of racing was unbelievable. May God be with each of you in the coming days and know that you will see him again over there in a much better place than we are today. Cherish all of your wonderful memories and God Bless each of you. Continue to be safe.

“ Was so sad to hear this news last night. My thoughts and prayers to his family and friends. I went to visit last week and he was sleeping. So sad I didn't wait to spend time with him. Thankful I met his brother and sister-in-law when we were leaving. He was a treasure to those in the NASCAR garage area and always treated me well and took care of me on the road. God speed sir...
