“ *Sympathy and Prayers sent to Ashley's family.. we went to school together from the time we were 12 thru High School in Mooresville... the last few months we lived a few apartments down from each other, I saw you the day before you passed away when you came out to speak to me and our neighbors... Ashley always made me laugh and she had a smile that will never be forgotten, She would always tell others that we have known each other since we were 12... Rest Easy my friend.... May The Lord Bless the Ones Who Loved You As We Mourn Your Loss....*
