*My thoughts and prayers go out to Jerry, Cory, and family. Audrey was such a beautiful person with a sweet spirit, and kind smile. She was always so giving of herself. I remember how she would fix me a strawberry cake for my birthday for our departmental birthday gathering all the time. I am blessed that our paths crossed.*

“ *My deepest condolences to Jerry, Cory and family. Audrey was such a vibrant person during her life with us here, and I know she is singing praises with the angels now. I am blessed to have known her and will always remember her creativity during the holidays. The tax dept was always tops in the Halloween decorating contests, mostly due to her ability to transform simple cubes into something magical! I pray in time, her memories will bring you peace.*
