“ *Im late to writing , seems like I just can't put all my words together! I had the pleasure of meeting Barbara in 2023. We immediately were drawn to each other! I found myself drawn to her like a magnet! Though I didn't know her in her younger years, I'm enjoying reading y'all's stories. When I met her she didn't always say a whole lot but we she did it was something so good!! She loved to dance, we would turn on the music and just have a good ole time! Her rhythm was on point!! and her smile, well it would light up the room! She left a big impact on my heart! I'm grateful to have called her friend! My thoughts and prayers to the family💕💕 Brian, you always took the best care with her! I always loved seeing y'all together! You were her safe place and I could see the peace on her with you around. You and your family did an amazing job taking care and loving her! God bless!*

“ *It has taken a bit for me to digest everything that has gone on the past 3 plus days. What do you say in times like these. I will always remember you Gigs, always in my thoughts.*

Gigs as my brother and I called her was the person who got me into painting. She always had a smile on her face, always laughing and enjoying life. Growing up, it was always the same group.. Gigs, Sean, Mom(Gail) Bewee, and myself going to the beach.

this is hard as I was scheduled to drive up in a few weeks to see her and the rest of the family.

you will be missed Gigs.. say hello to Bewee and enjoy the shoes.

“ Well my dear friend.....it has taken me the past three days to digest all of this. There are countless memories that are in my head and all the fun we had shopping, meeting every single night you and BeeWee for our bus ride home from work...we must throw Gail in there because she was part of our cahoots. Your smiling face, your laugh and your flamboyant I don't give a shit attitude and most of all your heart of gold. You were always there for me and a true friend. We were both pregnant together with our first child and Brittnay and Joseph were to be born in the same day. We did so much together. Of course we can't forget the moment Brian stepped in both of our lives, on the cold blustery December night as we trapsed up Fifth Avenue to go see the Rockefeller Christmas Tree lighting and who did we meet the man of your dreams...Brian. All I am going to say is...my friend you will never be forgotten, you will always be in my heart. Just shop to you drop up there, party like there's no tomorrow with BeeWee and send me the sign when there is a great shoe sale! When we meet again we will continue our antics and keep going like we never left each other! I love you so much Seesta' 💜💜💜💜💜

“ Barbara was a beautiful soul and my memories of her will be with me forever. Barbara was a wonderful friend and 3 of the things that I loved the most about her was her smile, the strong and true love she had for her family, and her sense of style! She will be remembered with love and missed so much!
To Brian and her children I would like to express my sincere condolences. May God grant you strength and grace. Rest in peace sweet friend 💜

“ I have so many fabulous memories with Barb! All starting with cosmetics.

There was a story that I shared with Brian that you can read. I have been waiting for a fitness class to instruct with a gym that I subcontract with for months. Soon after Brian let me know about Barbara, that day I received confirmation of a class to teach for memory loss seniors in my area.

Thank you Barbara for your giving and encouraging ways that you clearly continue to do. You are greatly loved and missed!

I have so many beautiful and happy memories with my dear friend Barbara. Barbara and I met while I was in Rye playland on the beach. I had a boom box playing and she came over and introduced herself and said I have to join you and your friends because I played her kind of music that was the day that we became lifetime friends we further continued our friendship through Cosmetics. Our children had many play dates. We have so many beautiful memories together, and I will cherish every one of them till we meet again she was a one of a kind, loving, beautiful person. I am so grateful that she was a part of my life. May you rest in peace, my friend You'll be truly missed. Love you forever, April.

“ I REMEMBER
I remember always smiling and laughing every time I served her a drink.
I remember her Epic and Endless shopping sprees.
I remember her saying”There was never enough women’s black dress pants for sale”.
I remember the sound of her calling Brian whether she was happy, mad or afraid, she knew he was always there to answer her call. He was her rock and her love.
I remember the pride and joy in her face when she spoke about her children with the protectiveness of a lioness guarding her cubs.
I remember her love and loyalty for her sister Gail, sharing the best and worst of times, laughing & crying but always there for each other.
Lastly, I feel jealous that I know you are dancing and singing with David Bowie every nite.
Please reserve a large table down the road when we see each other again.
All our lives were made better because of you!
LOVE YOU BILL (your bartender and brother-in-law)

“ To my beautiful sister Barbara.
I have so many memories of our lives together that I would need a book to write them all in but my very first memory is the day our mom BeeWee brought you home! You looked like a beautiful porcelain doll! You were my very own living doll!
All the memories we shared with you, me, BeeWee, Sean & Brendan doing everything together are priceless and fills my heart with happy! You were like my daughter as you were only 7 years older than my son Sean.
These last 8 years have been very hard especially the last 3 but having the thousands of memories of my family and yours especially your children has kept me going. I will miss you so much that my heart aches but you are part of my heart that will keep on beating forever.
I know you are in a beautiful place hanging with BeeWee drinking a caramel baileys on the rocks with BeeWee having a White Russian!
Show em how it's done!

“ *There is so much that I'm going to miss about my Aunt Barbara. My brother and I called her Giggles because she was always laughing. When we all lived close together in the Bronx, we did EVERYTHING together. Mom, Gigs, BeeWee, my brother and I were inseparable through thick and thin back in the day. She was very much like my big sister as we listened to a lot of the same music, when we'd go to the beach, we would both swim out as far as we could and would both love to irritate BeeWee to no end. Even after we all moved away, I loved getting her Xmas cards and calling her to catch up. The last 8 years were especially hard, but I know she's in a better place. There is so much I will miss, but I have thousands of memories to cherish.*

Love you Gigs!

Sean
