“ *Mrs Barbara was the most sweetest lady I have met. She always made me feel so welcome and cared about at Triplett church. And she loved and cared for so many. I know she adored her twin grandchildren before they were ever born. She was so excited and always shared the sonogram photos prior to their birth. Bless her family at this time and I pray God comforts you with his loving arms.*

“ I had the pleasure of meeting Barbara Murdock when my nephew, Jesse Carter, was dating her daughter Kristen. From the first time I met her and every time thereafter, she greeted me with a smile and made me feel so welcome. I could feel the love that she had for her family and how important they were to her. She was a kind and caring woman and will be greatly missed by all.

“ Barbara and I grew up together in the Mazeppa community and Triplett UMC. She became a friend of mine during our childhood years. We shared our good times and not so good times. Barbara became a very special part of the ministry of Triplett Church. She served willing and cheerfully on the many committees of the church. During my 28 years of serving as secretary at Triplett, Barbara was always there for me. Any time I had a problem or just wanted to talk, she would listen patiently and with love offer advice. Barbara was a very dear friend and will be missed. May God be with her family and hold them close at this difficult time.

“ I am so sorry to hear of Barbara's passing. She was always so beautiful, inside and out. When Brad and I first joined Triplett, she was one of the first people I got to know. She was so kind and welcoming. We all are going to miss her. Praying for the whole family during this difficult time.

“ *What a kind and loving lady who shared the love of Christ with so many. Barbara was always my favorite Sunday School teacher. She made an impact on my life at a very young age. As a child, she helped me learn Bible verses and was the first person at Triplett UMC who taught me about Jesus. I remember making a little Bible out of felt and soap in VBS and I can still see her standing in the doorway of our class in the old Triplett Church. She looked down at me and smiled and placed that little-handcrafted Bible in my hand. Such a simple thing, but as a child, she was a light in my life. She was soft spoken and so very gentle and loving with all of the children. I looked up to her and always did. She was one of those good 'ol Triplett folk that cared about me, ministered to me, prayed for me, and made a difference in my life. Well done thy good and faithful servant! Love and prayers for you all!*

“ Clyde and Martha were some true friends of mine and later I had become friends with Jack and Barbara and Carol and Grover and also Karen, Kristen, this was a good friendship and one that I will not forget, I just want the family to know, that they are on my mind and in my Prayers and you need to know Barbara is in a better place even though she is not with us, may God bless you and keep you and let his face smile upon you, as he is our Lord.

“ Barbara was one of my first friends outside my family. She and Carol were even closer in age than sister Susan and I. We both had June birthdays. She always had a birthday party! Susan and I were always excited to go because we knew your Grandma Martha would have great refreshments including, of course, Deluxe ice cream!! That was a big treat! We shared many "firsts"! The plays at church, choir, Sunday School, Suppers at night at church, etc. One thing was for sure and for certain. When Sunday morning came, her parents and my parents were committed to taking their children to Sunday school and church. There were just no questions about it! We had a mighty good time doing all the things at church! From this point in my life I can certainly see the value in our family's involvement. I treasure those memories, and when I think back, Barbara's dark, wavy hair, beautiful smile, and kindness, is always there! She will surely be missed! This earth needs as many Barbara's as it can get!!!
